## BIO

Dr. Willow Brown is a Chinese Medicine Doctor and Taoist Sexologist. She expertly merges sexuality, spirituality, and medicine with a mission to bring forth both healing and pleasure to individuals and the collective.

Guiding clients from sexual dissatisfaction to the pinnacle of pleasure, she helps them unlock the receptive pathways that usher in expanded consciousness and an open heart

As earthlings we are connected and ruled by the energies of the earth. This is the philosophy of Tao. The Taoist principles Dr. Willow brings to the art of sexual healing create a potent and viscerally transformative shift in the lives of those who study with her.

Blending the ancient arts of tantra, and taoist sexual healing with herbs, nutrition, movement, meditation and spiritual practices, Dr. Willow offers the most powerful transformation in health, vitality and sexual sovereignty.

She works with clients physically, spiritually, emotionally, sexually, and psychologically, so that they can experience wholeness, longevity, and maintain a high quality of life!
